Necropolis

EXT. WASHINGTON DC - MORNING

Sunny, but cool. The usual heavy flow of commuter TRAFFIC overtaking the streets and sidewalks.

A PASSENGER TRAIN speeds past a line of stopped CARS on its way to the crowded STATION.

INT. TRAIN - MORNING

Packed. Every seat taken. Crammed amongst all the business suits sits VINCENT NASH (35), wearing jeans and a creased polo shirt. Vin, as he likes to be called, has the rugged look of a blue-collar worker, but the brains of an Ivy Leaguer. He has a deepness in his eyes as if haunted by hundreds of years of painful memories.

Wedged beside him is hard nosed investigator BRUCE HARTFORD (53) and aeronautic designer KARMEN SINGH (31), who's showing them SCHEMATIC DRAWINGS of a 777 JUMBO JET.

KARMEN
I've told you already! Three

times!

VIN
That still doesn't explain

anything. It has to be corrected at the manufacturer level.

BRUCE
And then all the stress tests.

KARMEN
Why are you NTSB guys all the

same? I have a doctorate in structural engineering. You only investigate. I build.

VIN That's right. And we're investigating what you built.

Across the car from them is a plain looking man, AZRAEL, late 40's, simple business suit with corporate look, talking with three others--

But there's something about him that catches Vin's attention. A refined etherial glow that seems too perfect for this world.

KARMEN (CONT'D)
I can always count on Vin to be a

pain in the ass, but not you. What drives someone to be like that?

BRUCE
His adopted parents were killed in

a 737 crash. That was his only family.

KARMEN
I'm sorry, I didn't know. He's

never mentioned it.

BRUCE (TO VIN)
You were supposed to be on that
flight, but missed it, right?

Vin's still transfixed on Azrael, not hearing a word.

KARMEN Survivors guilt.

BRUCE Hey, Vin, you with us?

Two large imposing men, MALPHAS and ORIAX, dressed in black suits, work their way through the crowded CAR. An ora of heavy darkness around them.

Both figures carry a black BRIEFCASE and finally reach Vin's section, homing in on someone--

Azrael suddenly looks up, as if feeling their evil presence.

Malphas and Oriax set their CASES beside him, locking eyes. A blood RED GLOW emanating from within.

Vin sees this.

VIN What the hell?

Malphas quickly pulls a small REMOTE from his pocket, pushing a GREEN FLASHING BUTTON--

BOOM!!

The CAR EXPLODES, shearing in half.

The rest of the CARS come off the TRACK, one-by-one, twisting and turning, BREAKING into PIECES.

BODIES thrown from the tumbling wreckage as the CARS CRASH into others in front of it.

The powerful ENGINE tips onto it’s side, plowing through a line of stopped TRAFFIC at a RED LIGHT, crushing everything in its path--

Igniting the gasoline.

Broken TRAIN CARS slide through the FLAMES, finally coming to a rest against the ENGINE.

Everything settles, becoming still and quiet.

The magnitude of the crash slowly sinks into horrified WITNESSES, who stare in disbelief at the carnage.

People begin racing to the scene, helping SURVIVORS.

Some manage to climb out of the wreckage on their own.

Vin’s one of them.

His clothes ripped and face bloodied. He walks in a daze like many around him.

Body parts strewn across the ground at their feet. RESCUERS rush by Vin without stopping.

He looks back at the totally destroyed TRAIN CAR, then his fully intact body, wondering how he survived--

Checking his torn pockets for a PHONE, only finding his KEYS.

Standing across the street from all the chaos is a WHITE HAIRED middle aged MAN wearing a WHITE ROBE, suspiciously watching, shadowing his every step.

ACT ONE

EXT. WASHINGTON STREET - DAY

POLICE have ten city blocks around the crash scene cordoned off. No one gets in or out.

SMOKE billows in the distance. SIRENS wailing from all directions.

Vin, still bloodied and confused, walks toward one of the BARRIERS. An emotionally charged CROWD blocking his way.

POLICE use force to push them back, causing a physical protest.

Vin gets caught in the SURGE, making his way through the madness, out onto a clear street and away from everyone.

He sees a CAB parked fifty yards away. The door open and CABBIE out, looking at the mess around them.

VIN
Excuse me!

Moving as fast as he can, getting ignored the entire way.

VIN (CONT'D)
Hey! I'm with the NTSB and need to

get uptown, fast! Let's go!

Sliding into the empty seat. The CABBIE remains outside.

VIN C'mon! Let's go!

The CABBIE finally gets in and looks back at him, just as a frantic WOMAN in her mid 50's jumps in next to Vin, slamming the door.

CABBIE You said Uptown?

Yes!

The CAB speeds off.

EXT. UPTOWN - DAY

WOMAN/VIN
Gridlock. The CAB RADIO blasting news reports of the suspected explosion on the train.

The city's at a standstill.

Vin opens the DOOR and jumps out. The WOMAN immediately gets startled.

VIN
I'll walk. Slamming the DOOR.

He makes his way down a few deserted blocks to his older, brick APARTMENT BUILDING, going inside.

INT. VIN'S APARTMENT - DAY

Completely open floor plan. A mix of old and modern everywhere. Clean and organized.

Vin races in dropping his KEYS and goes right to the PHONE, quickly making a call.

It RINGS and RINGS, finally--

HEINZ (V.O.) Lead investigator, Heinz--

VIN
Collin it's me, Vin! Bruce and I

were on the train, but I survived-- HEINZ (V.O.)

Hello?

VIN Collin? Can you hear me?

HEINZ (V.O.) Hello? This is Heinz. Hello--

EXPOS (O.C.) He can't hear you.

Vin spins around and sees the MAN with WHITE HAIR and ROBE, sitting on the couch. Years of wisdom etched on his calm, peaceful face.

He's mild mannered, 58 year-old, EXPOS, who slowly leans forward, staring into Vin's terror filled eyes.

VIN (CONT'D)
Who the hell are you?

EXPOS
I'm Expos, your greeter. Put the

phone down Mr. Nash.

Vin holds the PHONE closer, only hearing a DIAL TONE, setting it down.

VIN
How did you get in here? Who are

you?

EXPOS
Your greeter. I'm honored to

finally meet you. Please, sit--

VIN
I'm not doing anything until you

tell me who the hell you are. Grabbing a KNIFE from the kitchen.

EXPOS
You don't want to do that, Mr.

Nash.

VIN
Get out of my apartment or I'm

calling the cops.

Expos remains seated, not moving.

VIN (CONT'D)
Now!

Swinging the KNIFE at him--

Watching it go right through Expos, like a ghost.

EXPOS
Sit down Vincent, we have a lot to

discuss and very little time.

Vin can't believe what he just saw, reluctantly sitting in a chair across from him.

EXPOS (CONT'D)
You were just in a horrible train

accident, were you not? VIN

Yes.

EXPOS What’s the last thing you remember?

Vin tries to think, suddenly getting uneasy.

EXPOS How did you get home?

Vin struggles with his memory.

EXPOS (CONT’D)
You can’t remember, can you? It’s

because you didn’t survive the crash. You’re dead.

VIN
What do you mean I’m dead? That’s

ridiculous. Look at me. I’m right here. I’m alive!

The KNIFE suddenly slips from his fingers onto the floor.

EXPOS Turn on the TV.

Vin has trouble grabbing the REMOTE, finally pressing the ON BUTTON--

Nothing.

He presses again and again--

EXPOS
Now that you know, you’re slowly

becoming unable to accomplish simple tasks. It’s one of the first signs.

Expos takes the REMOTE from him and turns on the TV.

The TRAIN BOMBING on every channel. PICTURES flash across the SCREEN.

REPORTER
--with more confirmed fatalities

include philanthropist and Wall Street broker Mathis Steinman, NTSB Agents Bruce Hartford and Vincent Nash--

Vin’s knees buckle. His eyes tunnel vision. Expos turns OFF the TV as the list goes on.

EXPOS
You're dead Vincent. Just like me.

People can't see or hear you anymore.

VIN What am I-- a ghost?

EXPOS (CONT'D)
Yes, sort of. But you're a very

special ghost. We've been waiting a long time for you. You're a Shadow Walker.

INT. DUBOIS OFFICE - DAY

Corporate. Multiple large flat screen TV's hanging on the wall. News of the Bombing on each one.

Behind a black walnut desk stands tall and intimidating ANSEL DUBOIS (39). Jet black hair with piercing dark eyes. This guy's pure evil, but looks good in a tailored suit.

He shakes his fist at Malphas and Oriax sitting on the other side.

ANSEL
A Shadow Walker! Do you realize

what we've done? How could this happen? If Lupis connects us to this he'll come up here and destroy us all!

ORIAX
You're certain it's a Shadow

Walker?

ANSEL
Didn't you feel that ripple? It

went through the entire supernatural world! A Shadow Walker's been awoken all right.

Moving around to the other side.

MALPHAS
Lupis will never be able to

connect us to that train. He'll think terrorist attack like everyone else.

Sadistically chuckling.

ANSEL
An attack that happened to take

out an Archangel and awaken a Shadow Walker!

Pounding his FIST on the desk.

ANSEL (CONT'D)
Destroy the Walker before he

realizes what's happened! Take his soul and bring it to me.

The two subordinates stand and exit the office.

ANSEL (WORRIED) (CONT'D)
A Shadow Walker--

INT. VIN'S APARTMENT - DAY

He paces the floor, upset, confused and panicked.

VIN
You're telling me I've lived

different lives for hundreds of years and don't know it? C'mon?

EXPOS
That's exactly what I'm saying.

You've always been a Shadow Walker. It just takes a violent death to awaken you.

VIN What's a Shadow Walker?

EXPOS (CONT'D)
A soldier. Created to keep the

balance between good and evil.

VIN
I'm not a soldier. I'm an NTSB

investigator and this is all a bunch of crap!

EXPOS
It's not safe for you right now.

They know you've been awoken. They're already hunting you.

VIN
Enough! I have a job to do-- Okay?

Rushing out the door.

They're hunting you!

EXT. STREET - NIGHT

Vin stops outside a tall SKYSCRAPER, looking at everyone going in and out the large glass doors.

Sadness and sorrow washes across his face. Is it really true?

LOBBY
A modern and brushed aluminum design. Circular SECURITY CHECKPOINT in the center. The DIRECTORY along a wall beside it.

NTSB listings on floors 2,3 and 4. A large framed GUARD stands by the ELEVATORS, checking ID's of those wanting to enter.

Vin walks right up to him, waving.

Nothing.

VIN
Hey Willy, you can see me, right?

VIN (CONT'D)
EXPOS

Willy?--

Waving his hands in front of Willy's face. Still nothing.

VIN (CONT'D)
Oh, no--

Stepping into the next available ELEVATOR with a small GROUP.

He tries hitting the 4th FLOOR BUTTON, but nothing happens--

Pressing again and again, frustrated, until others press the 4 along with different numbers.

The DOORS close and up they go.

A scraggly overweight GUY in the back reaches into his pocket and takes out his PHONE, bumping another MAN who inadvertently shoves Vin without seeing him.

Vin tries to catch himself, accidently pressing his HANDS against a WOMAN'S BREASTS directly in front of him.

She whips around and glares at the overweight MAN.

WOMAN Hey! Watch it, pervert!

He looks at her with surprise, shaking his head, sending a TEXT.

The ELEVATOR reaches a floor.

Vin works his way to the 4th FLOOR.

He bolts out into OFFICE

Down the hall, another OFFICE enshrined like his.

Vin looks at his old life and everything he once was; the COMPUTER, PHONE, CASE FILES, TINY FRIDGE, CHESS SET--

And SIGHS.

Someone rushes past him with a thick FOLDER and ENVELOPE, disappearing inside an open ROOM.

Vin follows him down the hall, into--

CONFERENCE ROOM

The man with the FOLDER is greeted by an intense group of NTSB Investigators. No-nonsense Lead Investigator, COLLIN HEINZ (44), commands the room with a sense of urgency.

HEINZ Lets see them!

Taking the FOLDER from the MAN and opening it, revealing--

A large set of High Definition PICTURES of the TRAIN WRECK.

HEINZ

Okay, everyone take a photo and

thoroughly scrutinize it-- Summarize for specific usefulness or garbage-- Everyone Understand?

Extremely focused, the GROUP shake their heads and get to work, each examining a PHOTO with a MAGNIFYING GLASS.

Heinz opens the ENVELOPE and pours small pieces of charred and twisted METAL FRAGMENTS onto a clean table surface.

Vin watches from a distance. A smile crossing his otherwise gloomy face as he sees his TEAM hard at work.

He carefully walks up behind Heinz, looking over his shoulder at each FRAGMENT, until one catches his eye.

VIN
That's it! That's the one. I know

it!-- There's trace residue.

Trying to grab the METAL FRAGMENT with frustrating results.

VIN Oh, come on!

Heinz looks at the others through an Vin thinks fast and bumps Heinz into

The FRAGMENT moves into better view.

ELECTRON MICROSCOPE. the table.

VIN (CONT'D)
That's from a section outside the

car I was in, Collin!

Heinz spins around to see who's behind him-- No one there.

HEINZ
Knock it off guys! Quit screwing

around! This is serious!

Everyone in the room stops, staring at him with puzzled looks.

Vin tries to pick up the small piece of METAL, but still can't, clawing at it.

He reaches for a PEN, desperately trying to pick it up--

Concentrating as hard as he can, grabbing the PEN between his fingers, fumbling with it.

Heinz sees it suddenly roll across the table without human help. He looks behind him--

No one close enough to do it.

Vin stops the PEN so the tip points directly at the METAL FRAGMENT.

Heinz still trying to figure out who's screwing with him, looks at the PEN and then notices something on the FRAGMENT.

He slides it under the MAGNIFYING GLASS and takes a careful look, flipping through different lenses.

VIN
That's it buddy-- Right there.

Heinz opens a tiny clear BOTTLE and dips the end of a Q-Tip inside, then rubs it across the METAL--

And sees the positive reaction for Explosive Residue.

HEINZ
Hey guys-- Come have a look at

this. It was a bomb all right. Someone call the Feds.

Vin, content he did his job, walks away without taking a second look back.

EXT. STREET - EVENING

Vin wanders aimlessly. A blank stare on his face as he tries to come to terms with his new existence. Living people casually pass him, unaware.

Malphas and Oriax walk up from behind, closing fast. Vin slowly turns around.

The TWO MEN stop ten yards back.

VIN
What? It's not as if you can see

me or anything.

Continuing on a few feet looking over his shoulder.

Malphas and Oriax right behind him. A blood RED GLOW emanating from their eyes.

14. Vin bolts down an ALLEY, around the back of a BUILDING.

PARKING LOT
Running into the open area with no exit. Only a few CARS remain.

Both MEN walk around the corner and raise their arms above their heads--

SWOOSH! A BLACK CLOUD engulfs them, spinning around like a tornado, then--

BANG! It's gone.

Standing in its place are two DEMONIC CREATURES with razor sharp CLAWS, TEETH and long whipping TAILS.

VIN
Wait a minute fellas--

Holding his hands out in surrender. Both CREATURES attack.

END OF ACT ONE

ACT TWO

EXT. PARKING LOT - EVENING

Vin runs around large DUMPSTERS in a futile attempt at escape.

VIN
Help! Someone call the cops!

One of the CREATURES leaps high into the air, running across the side of a building, landing in front of him.

Vin stops, trapped.

VIN (CONT'D)
Okay, enough with the games--

SMACK! He's HIT across the face and sent flying into the WINDSHIELD of a CAR, shattering it.

Both CREATURES approach as a panicked Vin pulls himself out of the GLASS.

VIN Wait, wait-- hold on.

CREATURE
Your soul is mine, Shadow Walker.

Swinging its long TAIL at him.

Vin rolls out of the way, just as it smashes the HOOD, crushing the metal.

His body starts to GLOW, emanating from his chest and working outward.

Surprised and rejuvenated, Vin makes a break for it and runs at the CREATURE, gaining incredible speed in a short distance, then--

CRASH! Body slamming it with tremendous force, sending the BEAST back into a LIGHT POLE, bending it.

Vin can't believe his sudden burst of strength. His GLOW slowly decreasing.

VIN That was cool.

He sees a clear path and takes off as fast as he can, looking behind him as he rounds a corner, running--

Head first into a BRICK WALL, disappearing within it.

INT. DEPARTMENT STORE - CONTINUOUS

Vin runs through the other side, crashing into DISPLAYS, knocking over MANNEQUINS and CLOTHES, rolling to a stop against the register.

Startled CUSTOMERS jump back, SCREAMING.

Two shocked EMPLOYEES look at the mess caused by no apparent reason.

EMPLOYEE
I told you this place was haunted.

Vin’s GLOW recedes and completely disappears. He picks himself up off the ground, surprised.

No one can see or hear him.

VIN Sorry. My bad.

And runs as fast as he can toward the opposite WALL, ready to go through--

THUD! Crashing into it instead, bouncing back onto the floor.

He lays there a second trying to figure it out, then get’s up and dashes off into the store, avoiding everyone and everything as he goes.

EXT. STREET - EVENING

Malphas and Oriax, stand in human form. Frustration on both their faces. Their eyes normal.

ORIAX
His powers growing. We don’t have

much time.

What if Lupis connects us to this?

MALPHAS

ORIAX
We eliminated an Archangel and

stopped the Summit. Inquires will be made. Let’s just hope he doesn't make the connection.

MALPHAS
We'll have to destroy anyone with

even the slightest knowledge of our involvement.

ORIAX What about Ansel?

MALPHAS (CONT'D)
What about him? He's got his own

soul to worry about.

Walking down the street toward an older, brick BUILDING.

INT. VIN'S APARTMENT - NIGHT

He enters and finds Expos still sitting in the same spot.

EXPOS
I told you.

VIN
What were those things?

EXPOS
Mid level demons most likely. Sent

to take your soul. It's the only way you can be killed in this form.

VIN
My soul-- Why? What form am I?

EXPOS
You're now their biggest threat.

Someone who can fix what is broken. Create balance. A Shadow Walker hasn't been awoken in over two-hundred years.

VIN Limping over to him, sitting down.

Until me--

VIN
And you think I'm supposed to keep

the balance between good and evil?

EXPOS
You posses incredible abilities,

Vincent. You just don't know it yet.

VIN
Why should I go along with this?

EXPOS
The train wreck was no accident.

VIN
I know. It was a bomb-- terrorism.

And don’t tell me I can’t help, because I already did.

Bouncing back into NTSB mode.

EXPOS
It’s not the kind you think.

VIN
What’s that supposed to mean?

EXPOS
There were two very important

supernatural dignitaries on board that train. They were on their way to a critical peace summit, but were assassinated before they could arrive.

VIN
You know who’s responsible?

EXPOS
They’re an ancient secret society

who’ve been killing off their enemies in preparation for war.

Vin sits up, stunned.

VIN
Holy shit. You’re saying they

caused the largest rail disaster in US history just to kill two people?

EXPOS
Not just two people. One was a

high ranking member of a global organization called the Guardians. A full Archangel!

Leaning forward, staring intensely at him.

EXPOS (CONT’D)
Both were in their human form,

which made them vulnerable to death. Peace between the two worlds was finally going to be negotiated!

And sits back, trying to remain peaceful

EXPOS (CONT'D)
There's a lot you need to know

Vincent, but you must get to safety first.

VIN
Did these people know I was on

train?

and calm.

the

EXPOS
No. You were a fortunate accident.

You died a violent death, which brought you to us.

Looking around, as if trying to see if anyone is listening.

EXPOS (CONT'D)
Only a violent death and not a

natural one, will awaken a Shadow Walker. You're part of a special bloodline, Vincent. One of only nine.

Expos stands, moving to the window, sneaking a suspicious look outside.

EXPOS (CONT'D)
A ripple went out across the

supernatural world when you were awoken.

Moving back to the couch. A worried face replacing his calm one.

EXPOS (CONT'D)
You must get to the Necropolis in

Colma. You'll be safe there.

VIN
Colma? Where the hell's Colma? And

a Necropolis? Really?

EXPOS
Look for John 12-35. Find Jacob

Bishop. He'll know what to do.

The DOOR'S instantly KICKED OPEN. Malphas and Oriax rush inside.

EXPOS (TO VIN) (CONT'D)
Run!

Expos leaps up and dives into Oriax's BODY, fighting for control.

Vin looks for an escape and makes a break for it. Malphas grabs him, pinning him to the wall.

His evil HAND glowing RED with FLAMES, ready to unleash an incendiary blow.

Oriax losses the battle and DISINTEGRATES. Only Expos left standing, ready for more.

He clutches Malphas on the back of the neck, throwing him across the room. Vin falls to the floor.

WHOOSH! The BLACK CLOUD appears again, swirling around Malphas, gaining speed--

BANG!

The BEAST emerges from the smoke, whipping its TAIL, slicing long jagged GASHES in the walls.

FLAMES swirling around its sharp CLAWS.

MALPHAS
You cannot protect him, greeter.

His soul is mine!

EXPOS (TO VIN)
Go, now!

Vin hesitates, then runs out of his apartment as fast as he can.

INT. DUBOIS OFFICE - DAY

Dim. Malphas, beat up, but alive, stands in front of the desk.

An armored skeletal LICH, with horned helmet and tattered cloak, stands in the shadows on the other side. EYES glowing RED.

MALPHAS He had help. A greeter.

The LICH steps into the light instantly becoming-- Ansel, dressed in a dark suit.

ANSEL
Then he’s heading to a Necropolis.

Send word. Stop him before he can reach one. Is he aware?

MALPHAS
Not completely, but he knows.

ANSEL
Find a Messenger-- A Puritan. The

Guardians must have dispatched them by now. Use any method you wish.

MALPHAS
I know of a place to find one.

ANSEL
Do whatever it takes, but destroy

the Shadow Walker! MALPHAS

Yes my Lord.

The wounded, but determined Malphas turns and quickly exits the room.

END OF ACT TWO

ACT THREE

EXT. COLMA CALIFORNIA - MORNING

The SUN rises above rolling green HILLS lined with thousands of WHITE TOMBSTONES as far as the eye can see. Seventeen different Cemeteries comprise 73% of the City, creating a NECROPOLIS.

Vin stands on a hill just outside of town. A weathered SIGN with the name “COLMA; City of the Souls” a few feet away.

The small, but fully functional 1.9 square mile CITY before him.

EXT. COLMA STREET - DAY

Vin carefully walks down the architecturally diverse BUSINESS lined street called JOHN SQUARE, checking each building’s address or sign.

He comes to an old 1950’S era structure with the address 1235, checking the DIRECTORY.

JACOB BISHOP listed on the third floor. Vin tries to press the BUZZER--

Nothing. He tries over and over, getting frustrated.

VIN
Oh, C’mon! When’s this gonna wear

off?

An older WOMAN exits the BUILDING. Vin slides in past her, undetected.

INT. 3RD FLOOR HALLWAY - DAY

Old dilapidated charm. Vin stops outside a wood door. The frosted glass window sports the faded sign “J. BISHOP: PSYCHIC PRIVATE INVESTIGATOR.”

Vin can’t believe it--

VIN
A psychic PI? Really?

And reluctantly tries the DOOR, grabbing the KNOB, unable to open it.

A GHOSTLY MAN, dressed in early 1940's style clothes, walks through the closed DOOR and gives him an odd look, heading down the hallway.

The DOOR opens.

A sweet, white haired, Grandmotherly type woman in her early 70's, NORMA DAVIS, stands on the other side.

NORMA
Yes?

You can see me?

NORMA Why wouldn't I?

VIN
I'm looking for Jacob Bishop.

NORMA
Do you have an appointment?

VIN
No, I think he's expecting me.

NORMA Who are you?

VIN (CONT'D)
Vincent Nash. Expos sent me.

NORMA Expos?-- Mr. Bishop usually doesn't take non appointments. I'll see if we can get you onto his schedule.

Walking back inside, leaving the door open. Vin looks around, still a bit unsure about all this, then enters.

OFFICE
An eclectic mix of FURNISHINGS from various time periods decorate the small Reception Area. A single WINDOW against the far wall and a closed DOOR to one side.

Norma motions Vin to an empty seat. NORMA

Wait here.

VIN (SURPRISED)

He sees a TEENAGE BOY standing at a desk across from a cute if she wanted to be, Secretary, GABBY SIMMONS (28), discussing his completed deal.

VIN (POINTING) (CONT'D)
Can they see me?

NORMA
Who them? No, of course not.

Gabby pays CASH to the BOY who quickly exits the OFFICE. Norma turns away from Vin, disappearing into thin air.

Vin gets up and moves over to Gabby, waving his hand in her face--

Nothing.

He smiles and goes to the WINDOW, looking down onto the street, watching the PEOPLE below.

The PHONE BUZZES. Gabby pauses, almost feeling something, then answers it--

GABBY (LISTENING)
Yes, sir. Hanging up.

GABBY (CONT'D)
Mr. Nash? Are you still here?
(looking around)
If you are, Mr. Bishop will see you now.

Opening the DOOR for him. BISHOP'S OFFICE

More of a library than an office. Lined with books, floor to ceiling, ranging from ancient to modern.

Worldly ARTIFACTS fill shelves and stands.

An antique desk by the tall WINDOW. Dark painted glass to minimize the light.

Jacob Bishop (48), slightly disheveled with a Professor's look and the brains to go with it, steps around and greets him. There's something completely disarming about him that Vin finds very comforting.

JACOB
Mr. Nash? Come in, please. Sit

down.

VIN
Good, you can see me too. Are you

a ghost?

JACOB
Me, no-- not yet anyway. I do

however, have the unique ability to see most of you people within the supernatural world.

Sitting behind his desk. Vin on the other side.

VIN A Psychic PI?

JACOB (CONT'D)
Sure, why not? I've cracked major

cases before. The cops call me all the time.

VIN
Really-- What kind of cases?

JACOB (CHANGING SUBJECT)
So, Expos sent you?

VIN
He did. He said you'd know what to

do. He hasn't steered me wrong yet.

JACOB
Expos-- I haven't heard from him

in a long time. And he sent you to me?

VIN
He said I was a Shadow Walker.

Jacob's good natured face instantly changes to serious, nervously looking through the defused WIDOW.

JACOB
A Shadow Walker, huh? Who else

knows you're here?

VIN Only Expos.

JACOB We need to leave.

Picking up his CELL PHONE and quickly sending a TEXT.

EXT. CEMETERY CRYPT - DAY

Jacob's late model Toyota pulls in front of the ornate marble structure.

VIN What are we doing?

JACOB
It'll only take a minute.

They exit and go inside.

CRYPT
Cold. Light creeping in from a tiny window wall, casting eerie shadows. Jacob and Vin the spacious open vault.

VIN
I don't understand. What's here?

Turning and finding Jacob gone.

high above the slowly enter

The door leading out missing. A slab of shiny marble in its place.

VIN What the hell?

SOUNDS echoing from within the shadows, then--

A massive half BEAR, half WOLF CREATURE emerges, flexing its six foot, 800 pound frame. It lets out a monstrous ROAR, showing its sharp TEETH, then charges--

KNOCKING Vin across the room, into a stone PILLAR. Vin's dazed and bleeding from the nose and lip.

He get's up, desperately looking for a way out.

The MONSTER attacks again, grabbing Vin by the ANKLES and swings him over its head--

Throwing him into a wall.

THUD! Vin slides onto the hard floor in a crumpled mess--

Not moving.

He slowly stirs, then sits up and tries to shake it off, becoming angry-- A GLOW emanating from his chest and working outward.

Vin stands. The GLOW intensifying as it systematically moves to his ARMS and LEGS-- Then he attacks the BEAST, landing multiple PUNCHES and KICKS, beating the shit out of the thing--

JACOB
Enough!

Vin's startled, ending the assault.

The BEAST changes back into small migrant farm worker, JUAN RODRIQUEZ, 59, cowering on the floor.

VIN What is this, Bishop?

JACOB (CONT'D)
A test.

Jacob helps Juan off the floor, brushing him off.

JACOB You alright?

JUAN I think so.

VIN
A test? I could have killed him!

Or him, me!

JACOB
I had to know for sure.

A large DOOR opens in the back.

In walks SCARLET LOCKE (28), a sexy, take no prisoners Goth, who stops in front of Vin, checking him out. Her tight black clothes and flowing cape are only matched by her spellbinding looks.

She grabs his face, stealing a long passionate kiss, looking deep into his eyes.

JACOB (CONT'D)
A smile crossing her now energetic face.

Well?

SCARLET
It's him.

Vin's totally captivated.

SCARLET (CONT'D)
Welcome back. I've missed you.

We've know.

It'll does.

VIN
never met. Trust me, I'd

SCARLET
come back to you. It always

VIN
You talk as if this happens

Does?

all the time.

SCARLET
Not all the time, but enough to

break my heart every time.

JACOB
You two can catch up later. We

need to get going.

Moving toward the marble slab. Juan right behind him.

END OF ACT THREE

ACT FOUR

EXT. SUNNYSIDE APARTMENTS - DAY

An older, well kept building with TWENTY UNITS, built in the early 60's and hasn't changed a bit since.

INT. APARTMENT 17 - DAY

Furnished. A thick layer of dust on everything. Jacob, Vin and Scarlet enter, quietly closing the door behind them.

JACOB
It's not much, but you'll be safe

here.

VIN Where are we?

SCARLET
In the center of the city. The

building's protected.

VIN
From what? And how did you know

this place was vacant?

JACOB
I've been having this apartment

haunted for years. So, I kind of, use it as a safe house if I need it.

SCARLET It's impossible to rent.

VIN
That's actually pretty brilliant.

Who's Juan?

SCARLET
He's kind of a-- mutant angel. A

shape shifter.

JACOB
He does a lot of work for me.

VIN Yeah, like beat me up.

SCARLET
You've seen a lot of combat in

your lifetimes, Vincent. You're a specially trained warrior. He just needed to see if it would come back to you.

Vin checks the place out, then tries to dust off an old CHAIR--

But can't, getting frustrated.

VIN
Oh, come on! Why can't I do

anything?

You'll just have to It'll all come back with time.

VIN You said this place

How?

learn how. to you, but is protected?

SCARLET
JACOB

It's at the center of the

Necropolis. The Archangels created very powerful zones around the Globe two thousand years ago.

SCARLET (CONT'D)
Colma built up around this one.

You're safe-- for now. VIN

Great.

JACOB There's a lot you need

VIN That's what Expos kept

JACOB Where is Expos?

Vin sits in the dusty chair.

VIN
I don't know. The last

to learn. saying.

time I saw him, he was fighting some big-ass monster in my apartment.

This news alarms Scarlet and Jacob.

SCARLET They've already found you?

(to Jacob)

Ansel has to be searching every Necropolis in the country.

JACOB
I know--

VIN
Expos said some group sabotaged my

train.

SCARLET
Not some group, The Black

Awakening. They're soldiers of Satan.

JACOB
There's a war coming. A wave of

satanic energy like the world has never seen.

SCARLET
A rebellion against God.

VIN
Look, I'm not who you think I am,

Okay? Expos said I was some kind of soldier-- a Shadow Walker, but I'm not. I don't understand any of this.

JACOB
That's why you're here with us

now. We're going to help you understand.

INT. ABANDONED HOUSE - NIGHT

Dark and decrepid. A single LIGHT shining down onto a half naked, tortured middle-aged MAN tied to a chair in a dank empty room.

Malphas standing in front of him.

MALPHAS
You're a member of the Guardians,

so you know I'm serious.

The PRISONER stays silent, unable to struggle.

MALPHAS (CONT'D)
The Archangels will fail. There

will be no peace. You know that.

He places a crescent shaped BAND securely across the MAN'S forehead, tapping the center.

It lights up, pulsating quick FLASHES OF RED. The PRISONER thrashes, SCREAMING in pain.

Malphas straps more BANDS onto the LEGS and ARMS, energizing them--

MALPHAS (CONT'D)
Where's the Shadow Walker! Which

Necropolis did he seek refuge?

Letting the pain increase-- Then turns them off.

The tortured MAN changes into pure LIGHT incased within a HUMAN FORM.

His skin smooth and bright.

MALPHAS (CONT'D)
There's the real you-- You're just

the messenger. Another Puritan. Tell me and I'll spare your earthly life.

Out from the SHADOWS steps Ansel as a skeletal LICH, moving to them.

MALPHAS (CONT'D)
I've narrowed it down to five.

This Puritan isn't talking.

The LICH reaches out, shoving its sharp boned hand into the tortured MAN'S chest and capturing his LIGHT, sucking it back into its own body--

Completely draining the MAN's life-force, leaving a shriveled human corps in its place.

ANSEL
Search all five. He has to be in

one of them.

Malphas turns and exits the warehouse.

EXT. CEMETERY - NIGHT

Vin and Scarlet stroll through thousands of graves. PEOPLE from varying time periods walking amongst the headstones around them.

VIN They're all dead?

SCARLET Just like you.

A WOMAN passes in Victorian clothes, carrying a parasol.

SCARLET Good evening, Ethel.

VIN You know her?

SCARLET
I know a lot of them. So do you.

Groups of small CHILDREN hide behind the HEADSTONES, sneaking up on them.

SCARLET (TO VIN) (CONT'D)
Check this out.

She makes a FIST, swinging her hand, creating a sparkling COLORFUL GLOW and tosses it toward the CHILDREN--

BOOM! EXPLODING into FIREWORK style light above them. The KIDS scatter, giggling as they run.

VIN
That's amazing. How did you do

that?

I'm a witch.

SCARLET
VIN

A witch? Like flying broomsticks, evil spells kind'a witch?

SCARLET (CONT'D)
Not quite. You and I have known

each other for five hundred years.

VIN
You look pretty good for five

hundred.

SCARLET Thank you. I work out.

VIN (CONT'D)
Seriously, I don't have any memory

of you before today.

They stop. She gently takes his hands, looking deep into his eyes. A LIGHT shining within her's.

Vin's eyes suddenly close--

EXT. PARIS - 1814

The city in FLAMES. Napoleon's SOLDIERS are systematically rounded up by Coalition Forces.

Others EXECUTED on the street.

INT. FRENCH PALACE - SAME TIME

Vin and Scarlet, wearing Prussian military uniforms, run down a long decorative HALL, laughing like young teenagers.

PALACE BEDROOM
Huge. Frescos on the ceiling and tapestries on the walls. A tall canopy BED to one side.

The DOOR bursts open. In stumbles Vin and Scarlet, kissing, wrapped in a frenzied embrace. They can't pull each others clothes off fast enough--

Both falling onto the BED.

EXT. CEMETERY - PRESENT

Scarlet releases Vin's hands. His eyes open, filled with joy and sadness.

He stares at her, shocked.

VIN
Why can't I remember?

You will.

SCARLET

A young man, ELMER WHITTLE 19, in a WWI uniform, approaches them.

ELMER
Miss Locke?

SCARLET
Good evening, Elmer. This is

Vincent, an old friend. Elmer extends his hand, shaking.

ELMER
Pleasure-- Looking around.

ELMER May I speak?

SCARLET
Of course.

ELMER
There's been strangers. More than usual. Bad one's too. I can tell.

Like the one's from the war.

SCARLET
Demons? What were they doing?

ELMER Looking for something--

Eyeing Vin.

ELMER Or some-one.

Vin quickly scans all the ghostly PEOPLE around them, grabbing Scarlet's hand.

VIN We should go.

Pulling her along.

SCARLET (CONT'D)
Thank's, Elmer. Let me know when

you see them again. Contact me or Jacob. Don't mention this to anyone.

Vin stops.

What gate?

VIN
ELMER

I wont. Good luck finding the gate, Vincent. The boys in the Regiment are pulling for you.

SCARLET Come on, let's go.

Pulling him along.

VIN (CONT'D)
Wait a minute-- What gate? What's

he talking about?

Scarlet gives Elmer a dirty "how could you" look.

Elmer disappears into thin air. Vin turns to Scarlet, who gives him a playful smile.

INT. JACOB'S OFFICE - NIGHT

He sits on top of his antique desk. Scarlet seated in front of him. An upset Vin paces the cluttered room, coming dangerously close to the artifacts.

VIN
Gates of hell? Are you kidding me?

JACOB
Watch out-- Some of those are

priceless. Vin narrows his steps.

VIN
Why didn't anybody bother to tell

me that?-- huh? Oh Vin, by the way, you need to close a gate from hell!

JACOB
Expos should have said something.

We didn't want to overload you all at once.

SCARLET
And it's only one of the gates.

JACOB
There used to be six. Now there's

four. The true purpose of a Shadow Walker is to close one of those gates.

VIN
Am I the only Shadow Walker?

JACOB
There's only three known existing

bloodlines left. You're the only known Walker that's been awoken in over two hundred years.

VIN
So, I've closed a gate before?

SCARLET
Yes.

VIN
I wish I could remember it.

JACOB
You will-- Be warned though.

There'll be things you would rather not have remembered.

Staring at Vin.

JACOB (CONT'D)
Only a Shadow Walker can close a

gate to the underworld.

VIN
I'm expected to go out there and

close it-- by myself? Really?

SCARLET
We'll help you. Both of us!

VIN (PISSED)
Great. I feel so much better.
Finally sitting down.

END OF ACT FOUR

ACT FIVE

INT. WAREHOUSE - NIGHT

Empty. Only a few dim lights hang from the high ceiling.

Standing in the center of the floor is Jacob and Scarlet. Vin at one end of the building, Juan at the other.

VIN
Is this really necessary?

JACOB
Do you want to defend yourself

against them or not? VIN

Right.

SCARLET
You have powers Vincent. You just

have to feel them. Open your heart.

JACOB
The main focus is to be quick and

agile-- if you’re going to stay alive and succeed.

Moving away toward the wall.

JUAN
I’m sorry about that test Mr.

Nash.

VIN
Forget it, we’re good. Call me,

Vin.

Juan shakes his head and smiles.

A bright GLOW forms around Scarlet’s right PALM and FINGERS. She raises her HAND above her head, creating a SPARKLING BALL swirling in the air.

SCARLET
Ready?--

Juan begins violently shaking.

His BODY swells and contorts, morphing into a large prehistoric looking DRAGON FLY.

Its WINGS flapping with incredible speed, hovering off the floor.

SCARLET (CONT'D)
Go!

And throws the BALL up toward the far edge of the ceiling. It makes sharp turns, then slows and speeds up again.

Vin takes off, running under it, trying to gauge its next move.

JACOB
Open your heart! Become your

objective!

The DRAGON FLY takes off after Vin.

JACOB Feel the threats!

Vin climbs the Steel Beams of the wall and dives for the swirling BALL--

Just as it moves away from him when he's about to grab it.

And falls to the hard floor.

THUD! The DRAGON FLY swoops down and picks him up, carrying him toward the high ceiling.

JACOB (CONT'D)
Do something! What are you waiting

for?

Vin fights, struggling to free himself.

VIN Shut up! I'm trying!

His frustration increasing. A LIGHT grows within him, working outward, engulfing his entire body.

Jacob and Scarlet share a look of accomplishment.

EXT. COLMA CEMETERY - NIGHT

A small group of young MEN dressed in WWI uniforms sit around a regimental CAMP FIRE, drinking from tiny flasks.

Their camaraderie as if back in the trenches of France.

Elmer sits amongst them. He notices two suspicious MEN in dark modern suits, sneaking around a CRYPT looking for something.

He gets up to check it out and immediately gets hit with a barrage of insults from his Regiment to come back.

The two MEN move to the opposite side of the CRYPT, out of view. Elmer continues his pursuit toward them--

SLAM! And gets shoved against the marble wall.

Both MEN have now transformed into Demon's. One of them, named THORAN, dangles an ENERGY BAND in his face.

THORAN
Where's the Shadow Walker. Tell us

and we'll spare your soul. Do not-- And you'll be forever damned.

ELMER
Piss off!

The second Demon, CHEMOSH, abruptly PUNCHES Elmer in the face and straps a BAND to his forehead.

CHEMOSH
Where is he? Who's hiding him?

Elmer stays silent.

Thoran nods. Chemosh is about to energize the BAND--

SOLDIER
Hey!

Both evil Demon's turn and see Elmer's entire REGIMENT, armed with bayonetted rifles.

THORAN Back away soldier boy.

SOLDIER Present arms!

The SOLDIERS lift their weapons and point them straight at Thoran and Chemosh.

INT. WAREHOUSE - NIGHT

Vin sprints across the entire length of the building with incredible speed--

Then up to the ceiling until he’s right behind the fast moving BALL.

The DRAGON FLY closing in on him.

Vin makes sudden quick moves, faking out the BALL and dives--

Grabbing it, landing on the floor with both feet and immediately spins around, HITTING the DRAGON FLY across the face with a closed BACKHAND.

Sending it into the wall, creating a huge dent. The poor crumpled creature falls to the floor--

And slowly changes back into Juan, who lies there out of breath.

JUAN Okay-- I’m done--

Scarlet and Jacob walk out clapping their hands. Vin tosses her the glowing BALL, which disappears.

JACOB Excellent start Vin. You’re finally beginning to feel instead of think.

Vin’s GLOW recedes back toward the center of his body, decreasing in strength.

Juan slowly makes his way to them. Vin shakes his hand.

VIN You alright?

JUAN
Just the wind knocked out of me.

I’ll be fine.

SCARLET
The demon’s hunting you can kill

supernatural’s in both forms, earthly and ghostly.

JACOB
So it really doesn't matter which

form you take.

SCARLET They’re also well trained at deception and blending into ordinary life.

VIN
Then how do I know you two aren’t

really the bad guys?

JACOB
Good point. However, I can assure

you, we are not. VIN

What now?

SCARLET
It’s time to learn how to be seen

again. Like normal.

VIN
As in, everyone can finally see

me? Exactly.

SCARLET
JACOB

A Shadow Walker can present themselves to the world in the flesh. It’s just going to take some practice. Like how to pick up objects and move things.

Vin becomes more upbeat.

VIN Now we’re talkin’.

High-fiving Juan.

EXT. CEMETERY - NIGHT

Thoran and Chemoch fight the SOLDIERS with varying styles of martial arts, defeating most of them.

A second wave of SOLDIERS make their charge and finally overrun them, stabbing Thoran and Chemosh a dozen times with bayonets.

Both Demon’s still putting up a struggle.

Elmer pulls his Army issue service KNIFE from a worn leather sheath.

A CROSS and BIBLICAL SCRIPTURE engraved down the blade.

He plunges the KNIFE into Thoran’s heart, unleashing a BRIGHT LIGHT into the air, turning Thoran into a pile of ASHES.

Elmer quickly stabs Chemosh in the heart, releasing a LIGHT into the air. The KNIFE falling to the ground with the ASHES left behind.

Elmer stumbles backwards into the arms of his COMRADES.

INT. DUBOIS OFFICE - DAY

Ansel's behind his desk on the phone, pissed.

ANSEL
Then check the other one! They

have to be someplace-- right? (listening)

Fine. Just do it! Slamming it down.

Malphas stands by the door, waiting.

MALPHAS Still nothing?

ANSEL (CONT'D)
Something's not right. Everyone's

reported back except Chemosh and Thoran.

MALPHAS Where were they?

ANSEL (CONT'D)
Colma.

Ansel's desks starts to vibrate.

The movement increasing-- WHOOSH! A black swirling CLOUD envelops part of the room.

Inside the DARKNESS stands LUPIS, an eight foot, fully black armored LICH and General who answers to Satan himself.

He steps out into the light, instantly changing from armored SKELETON to six foot, dark suited, LUPIS TERRON (40).

ANSEL (CONT'D)
Lupis-- What brings us this honor?

LUPIS
Spare me the charm, Ansel. Where

is he?

ANSEL
In a Necropolis. One of five. I

have scouts searching each one now.

LUPIS
And--

ANSEL Nothing so far, my grace.

Bowing his head.

LUPIS (CONT'D)
Don't you find it odd that

Archangel Azrael was killed on the same train that awoke a Shadow Walker?

ANSEL
The same train? I didn't know--

Lupis waves his ARM, sending Ansel's DESK flying across the room into the wall.

Malphas diving away before it SHATTERS next to him.

LUPIS
I don't believe in coincidence!

That doesn't just happen!

ANSEL There's a sect within the

Guardians that isn't pleased with the peace negotiations. I've heard talk that maybe they were the ones behind the assassination.

Lupis sits in Ansel's chair, making himself at home.

LUPIS (CONT'D)
That would make sense. Stop the

summit and raise a Shadow Walker, all in the same move?

A lit CIGAR instantly appears in his hand.

LUPIS Brilliant. Don't you agree?

ANSEL Yes my grace.

Malphas gets up from the floor, brushing himself off. LUPIS

You there--

MALPHAS Malphas, sir.

LUPIS (CONT'D)
Make me a drink, Malphas.

MALPHAS
Right away.

Exiting the office. Lupis looks straight at Ansel.

LUPIS
So, what are we going to do about

this mess?

Ansel gets nervous, thinking he's busted.

ANSEL I don't understand?

LUPIS (CONT'D)
Your gate! The Shadow Walker was

awoken in your jurisdiction. If he's not found soon, how do you plan on protecting your Gate?

Taking a drag from the CIGAR.

ANSEL
I've got my best warriors in

place.

LUPIS
And the scattered Artifacts?

Blowing SMOKE at him.

INT. JACOB'S RECEPTION ROOM - DAY

A tired Vin, Scarlet and Jacob enter and head straight for the OFFICE.

Secretary, Gabby Simmons, waves to them as they pass.

Vin stops.

GABBY
Good afternoon Mr. Bishop-- Miss

Locke.

(looking at Vin)

Hi there, I'm Gabby.

VIN You can see me?

Gabby looks at Jacob, rolling her eyes.

GABBY Another one?

JACOB
Not quite. He’s different.

VIN (EXCITED)
It works guys! She can see me!
Clapping his hands in triumph.

JACOB
I told you-- It only takes

practice.

VIN Thanks. Both of you.

GABBY So, who is he?

SCARLET (QUIETLY)
Remember all those stories from the
fifteenth through nineteenth
centuries I told you about?

Gabby lights up with a dreamy smile.

GABBY
The ones about the love of your

life? (sigh)

How could I forget.

Scarlet turns and faces her, mouthing “that’s him”, pointing to Vin.

Gabby covers her face with her hands. Tears welling up in her eyes.

Jacob shakes his head and enters his OFFICE, followed by an energetic Vin.

Gabby stands, giving Scarlet a warm hug.

OFFICE
GABBY (crying)

I’m so happy for you.

SCARLET Let me get you a tissue.

Jacob sits on his desk. Vin plops down in the seat. Scarlet finally enters and closes the door.

VIN Love of your life?

SCARLET
We have a past. I told you.

VIN
I wish I could remember it. At

least my old muscle memory is coming back. Along with some cool new tricks--

Looking at his reflection in the darkened window.

JACOB
Ones you're going to need.

VIN
When does my memory come back?

SCARLET
Sadly, only with time. I've gone

through this process with you before.

VIN
Sure, hundreds of years ago.

SCARLET It doesn't change.

Vin gets up, looking at the ARTIFACTS throughout the room.

An eight inch square Chinese PUZZLE BOX, way up on a shelf, gets his attention.

He pulls the BOX down, holding it with both hands, transfixed by the object--

EXT. LONDON STREET - 1743

Dark clouds cast a long shadow across the city. Scarlet, dressed as a British Privateer, hurries down a narrow path, carrying a small paper wrapped PACKAGE.

The high-pitched SCREECH of multiple Police WHISTLES approaching from behind her.

BARKING DOGS leading the way.

Scarlet darts into one of many SHOPS lining the STREET.
COBBLER SHOP

Cluttered. TEXTILES and TOOLS everywhere.

Vin, dressed in dirty shabby clothes, hides toward the back. Scarlet makes her way through and throws her arms around him.

VIN You got it?

She holds out the PACKAGE.

The SOUND of pursuing forces move past the shop, making a loud racket as they go.

Vin rips open the paper, revealing-- The Chinese PUZZLE BOX.

SCARLET Is that the one?

Vin carefully examines every inch.

VIN
It is! How did you get this past

those guards?

CRASH! The small shop window SHATTERS. POUNDING from the other side of the DOOR.

An AX BLADE breaks through the WOOD--

INT. JACOB'S OFFICE - PRESENT

Vin stares motionless at the BOX, almost in a trance. He turns it over and slides a tiny secret panel to one side, pushing a hidden BUTTON, opening the BOX like a blooming flower.

Jacob moves off the desk.

JACOB
How did you do that? I've tried

for years--

VIN (TO SCARLET)
You risked everything to give this
to me. Why?

She gently slides her fingers down his cheek.

SCARLET
You said it was important to you.

Vin flips the BOX over, unscrewing the bottom, revealing-- An iron SKELETON KEY inside.

JACOB What's that?

Vin takes it out. A strange ANCIENT SYMBOL on the decorative handle.

VIN It’s a key.

JACOB One of the many clues.

Taking it from him, getting a better look. VIN

To what?

SCARLET The location of a gate.

JACOB
And it’s been here in this room

the whole time. Handing it back.

JACOB (CONT’D)
We have to find what this key goes

to. It will ultimately lead you to the gate.

The phone BUZZES. Jacob pauses before he picks it up.

JACOB Yes, Gabby--

His eyes grow wide.

JACOB (CONT’D)
Here?-- Now? He never leaves the

cemetery.

Looking at Vin and Scarlet.

JACOB Sure, send him in.

And puts the phone down.

SCARLET What’s going on?

The office DOOR opens. In walks a totally freaked Elmer, locking the door behind him.

INT. CRYPT - DAY

Dark. TORCHES burning on the walls. Ansel and Malphas stand before a GROUP of evil DEMONS. Some with WINGS and CLAWS, others with TAILS and grotesque faces.

ANSEL
The Shadow Walker’s hiding in

Colma. There’s seventeen cemeteries in that Necropolis, so be thorough. Check them all!

The GROUP becomes restless.

ANSEL (CONT'D)
And to ensure our success, I've

summoned a little help. Raising his arms into the air.

WHOOSH! A ring of FIRE appears on the floor, growing in size.

Everyone steps back.

The small inferno becomes a WALL OF FIRE, reaching the ceiling--

Then disappears.

Standing in the center of the charred circle is a huge, imposing, muscular DEMON with HORNS, GLOWING EYES and carrying two long CLUBS with human skulls on the ends.

Behind him a small pack of giant hellborn WOLVES, with teeth showing and hair standing up on their backs.

ANSEL (CONT'D)
I give you-- Boruta!!

Cheers and howls throughout.

The DEMONS worked up into a vicious frenzy. WOLVES growling at them.

Ansel waves his HANDS out in front of him, conjuring BOLTS of LIGHT that shoot across the room, striking each DEMON, making them disappear.

ANSEL I want his soul.

Boruta, his Wolves, Ansel and Malphas the last to go.

END OF PILOT
